Introducing The Municipal Spa

Health Spa is an experience that has been around for a long time. We are driven by the belief that beauty is more than just skin deep – It's all about the mind body and soul. At The Municipal Spa we will have a 360-degree approach to wellness that includes the ability to enjoy spa treatments and but also the ability to indulge, switch off escape from everything in the world.

Health Spa Facilities

The Treatment Area includes 4 treatment rooms, a beauty lounge consisting of 1 manicure station and 1 pedicure station. We offer MII branded manicures and pedicures.

Fitness Facilities – We home a gym equipped with Matrix branded equipment with a panoramic view of the city

Wet Facilities - we have our 16m pool, Himalayan Salt Sauna, Steam Room, Monsoon Experience Shower, Ice Experience, Plunge Bucket and Laconicum.

Top of the range changing facilities including Dyson hair dryers and GHD straighteners.
