CHAMOMILE
We select only the highest quality chamomile flowers from Croatia, which are simply slow-dried to retain their naturally sweet and soothing flavour.

PEPPERMINT
This peppermint has been simply slow-dried to retain all its essential oils for an intensely refreshing, menthol experience.

EARL GREY
Scented using the highest quality, natural bergamot essence blended with the finest, full-bodied Assam black tea.

GREEN TEA
An organically grown green tea from a Fair-Trade certified garden in the remote mountains of Hubei, China.

ENGLISH BREAKFAST
A traditional black tea blend usually described as full-bodied, robust and rich.

HOT DRINKS

JING TEAS

LOOSE LEAF TEA 5.00

JASMINE SILVER NEEDLE
The youngest, sweetest tea buds are carefully plucked and withered slowly in the sun to create a pure, silver needle white tea. Before being traditionally scented with fresh, whole jasmine flowers over five consecutive nights.

LEMONGRASS & GINGER
A clear expression of two simple, natural ingredients. Inspired by the cuisine of Asia. Real lengths of lemongrass and dried ginger.

BLACKCURRANT & HIBISCUS
A contrast to other 'flavoured' fruit and herbal infusions. Hand-crafted from the highest quality, whole ingredients with real fruit pieces.

PHOENIX HONEY ORCHID
From Phoenix village, Guangdong, where they specialise in this type of tea. This 'honey orchid' variety is crafted using one of the oldest cultivars in the region and gently roasted for a complex, fruity taste.

DRAGON WELL
China's most famous green tea. It is picked in early spring near Hangzhou, China, which is the true home of this tea. The young leaves are pan fired by masters, creating the classic spear shape and nutty taste.

ASSAM BREAKFAST

Breakfast teas are usually blended from multiple places for uniformity of flavour. This one's single origin though, designed to celebrate the Assam provenance. Created in a highly selective blending process: we taste up to a thousand teas from the summer flush and select less than 1% for this blend, to achieve a character of strong body, deep ruby colour and malt/honey flavour.

DARJEELING TEA

From historical estates in Darjeeling, India, these tea leaves encapsulate the best of the summer flush from this famous, mountain region.

EARL GREY

Our Earl Grey recipe was selected by a team of Michelin-starred chefs and uses the highest quality, natural bergamot essence blended with the finest, full-bodied Assam black tea.
